**OLD BUSINESS**

A discussion of the November 12 recital held in the Bangor Public Library clarified some details. Each teacher may have a maximum of three students: any age and any level of study. The names of the students, names of pieces being performed and the length of each piece needs to be forwarded to Sally Pendleton by November 1. Sally will check on piano tuning needs. She has generously paid the \$35.00 rental as a donation. Ginger Hwalek will take care of advertising. Ellen Newton will take care of programs. It was decided that there will be no refreshments.

Dues (\$10.00) for this year were then collected by Ginger. Folks were reminded that the PVMTA dues are tax deductible.
